

Safety Data Sheet

SDS # : D-4026

eBinder Ellipse 200 Elements

Issuing Date 2010-10-21

Revision Date 2015-05-07

Version 1

Active

1. Product and Company Identification

Trade Name eBinder Ellipse 200 Elements for Xerox Products

Part no. 003R06859, 003R06860, 003R06861, 003R06862

Pure substance/preparation Preparation

Identified uses Adhesives

Distributor Xerox Corporation
Rochester, NY 14644

Emergency telephone Safety Information US: (800) 275-9376
Chemical Emergency only (Chemtrec) (800) 424-9300

2. Hazards Identification

Emergency Overview

The product contains no substances which, in the form utilized and at their given concentrations, are considered to be hazardous to health.

| Color | Appearance | Physical state | Odor |
|--------------------------|----------------|----------------|--------------------------|
| No information available | Adhesive strip | Solid | No information available |

Classification of the substance or mixture

Consumers Not classified

GHS Label elements, including precautionary statements

Signal Word None

Hazard Statements None required

Precautionary Statements None required

Other hazards which do not result in classification

Potential Health Effects

Principle Routes of Exposure Inhalation, Skin contact

Acute toxicity

Eyes

Skin

Inhalation

Ingestion

Chronic effects

Chronic toxicity

May cause slight irritation

Molten material will produce burns to skin areas.

Inhalation of vapors in high concentration may cause irritation of respiratory system

Not an expected route of exposure

No information available

Environmental hazard See Section 12 for additional Ecological Information

3. Composition/Information on Ingredients

| | |
|----------------------------|----------------------------|
| Product Description | Adhesive binding |
| Substrate | Rigid thermoplastic binder |
| Coating | Glue strip |

4. First Aid Measures

| | |
|-----------------------------------|---|
| General advice | When symptoms persist or in all cases of doubt seek medical advice. Show this material safety data sheet to the doctor in attendance. |
| Eye contact | Not an expected route of exposure |
| Skin contact | If molten material gets on skin, cool rapidly with cold water. Do not attempt to remove material from skin. Obtain medical treatment for thermal burn |
| Inhalation | Move to fresh air |
| Ingestion | Not an expected route of exposure |
| Notes to physician | Treat symptomatically |
| Protection of first-aiders | No special protective equipment required |

5. Fire-Fighting Measures

| | |
|---------------------------------------|--|
| Flammable properties | No information available |
| Flash point | Not determined |
| Suitable extinguishing media | Water, Foam, Dry chemical, Carbon dioxide (CO ₂) |
| Unsuitable extinguishing media | No information available |

Specific hazards arising from the chemical

| | |
|---|--|
| Hazardous combustion products | May emit toxic fumes under fire conditions |
| Explosion Data | |
| Sensitivity to Mechanical Impact | Not impact sensitive |
| Sensitivity to Static Discharge | Not sensitive |

Protective Equipment and Precautions for Firefighters
 As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

6. Accidental Release Measures

| | |
|-----------------------------|--|
| Personal Precautions | Ensure adequate ventilation For personal protection see section 8 |
|-----------------------------|--|

| | |
|--------------------------------|---|
| Methods for containment | Pick up and transfer to properly labeled containers |
| Methods for cleaning up | Pick up and transfer to properly labeled containers. |
| Other Information | The environmental impact of this product has not been fully investigated. However, this preparation is not expected to present significant adverse environmental effects. |

| |
|--------------------------------|
| 7. Handling and Storage |
|--------------------------------|

| | |
|--|---|
| Advice on safe handling | Handle in accordance with good industrial hygiene and safety practice |
| Technical measures/Storage conditions | Store in original container |
| Hygiene measures | None under normal use conditions |

| |
|---|
| 8. Exposure Controls/Personal Protection |
|---|

| | |
|-----------------------------------|---|
| <u>Exposure guidelines</u> | |
| Product information | No acute toxicity information is available for this product |
| Component information | No information available |

Occupational Exposure Controls

| | |
|-----------------------------|-----------------------------------|
| Engineering measures | None under normal use conditions. |
|-----------------------------|-----------------------------------|

Personal Protective Equipment

| | |
|---------------------------------|--|
| Consumer use | These recommendations apply to the product as supplied |
| Respiratory protection | None under normal use conditions |
| Eye/Face protection | None under normal use conditions |
| Skin and body protection | None under normal use conditions |
| Hand protection | None under normal use conditions |

| |
|--|
| 9. Physical and Chemical Properties |
|--|

| | | | |
|-----------------------------------|--------------------------|---------------------------------|--------------------------|
| Appearance | Adhesive strip | Odor | No information available |
| Odor threshold | No information available | Physical state | Solid |
| pH | No information available | Color | No information available |
| Flash point | Not determined | Boiling point/range | Not applicable |
| Softening point | Not determined | Autoignition temperature | No information available |
| Flammability Limits in Air | Not applicable | | |
| Vapor pressure | No information available | | |

| | |
|----------------------------------|--------------------------|
| Vapor density | No information available |
| Water solubility | No information available |
| Viscosity | No information available |
| Partition coefficient | No information available |
| Evaporation rate | No information available |
| Melting point/range | Not applicable |
| Freezing point | Not applicable |
| Decomposition temperature | Not determined |
| Specific gravity | Not applicable |

| |
|------------------------------|
| 10. Stability and Reactivity |
|------------------------------|

| | |
|---|--|
| Reactivity | No dangerous reaction known under conditions of normal use |
| Stability | Stable under normal conditions |
| Incompatible products | None known based on information supplied |
| Conditions to Avoid | Avoid breathing vapors or mists |
| Hazardous Decomposition Products | May emit toxic fumes under fire conditions |
| Hazardous polymerization | Hazardous polymerization does not occur |
| Hazardous reactions | None under normal processing |

| |
|-------------------------------|
| 11. Toxicological Information |
|-------------------------------|

| | |
|-----------------------------------|---|
| <u>Acute toxicity</u> | |
| Product information | No acute toxicity information is available for this product |
| Component information | No information available |
| <u>Chronic toxicity</u> | |
| Carcinogenicity | No information available for mutagenicity and carcinogenicity potential |
| <u>Other toxic effects</u> | |
| Product information | |
| Sensitization | No information available |
| Mutagenic effects | No information available |
| Teratogenicity | No information available |
| Target organ effects | No information available |
| Aspiration Hazard | Not applicable |
| Other adverse effects | No information available |

| |
|----------------------------|
| 12. Ecological Information |
|----------------------------|

| | |
|--------------------------------------|---|
| Ecotoxicity | The environmental impact of this product has not been fully investigated. |
| Component information | No component data available |
| Persistence and degradability | No product level data available |
| Bioaccumulation | No product level data available |
| Mobility | No product level data available |

Component information

No component data available

Other adverse effects

No information available

13. Disposal Considerations

Waste Disposal Methods

This material, as supplied, is not a hazardous waste according to Federal regulations (40 CFR 261). This material could become a hazardous waste if it is mixed with or otherwise comes in contact with a hazardous waste, if chemical additions are made to this material, or if the material is processed or otherwise altered. Consult 40 CFR 261 to determine whether the altered material is a hazardous waste. Consult the appropriate state, regional, or local regulations for additional requirements.

Contaminated packaging

Dispose of in accordance with local regulations.

14. Transport Information

Note

This material is not subject to regulation as a hazardous material for shipping.

15. Regulatory Information

International Inventories

TSCA

Complies

U.S. Federal Regulations

SARA 313

No information available

SARA 311/312 Hazard Categories

No information available

Clean Water Act

Does not apply

Clean Air Act, Section 112 Hazardous Air Pollutants (HAPs) (see 40 CFR 61)

Not applicable

CERCLA

No information available

TSCA

This product complies with TSCA12(b)

U.S. State Regulations

California Proposition 65

Not applicable

U.S. State Right-to-Know Regulations

No information available.

Canada

This product has been classified in accordance with the hazard criteria of the Controlled Products Regulations (CPR) and the SDS contains all the information required by the CPR.

16. Other Information

Issuing Date

2010-10-21

Revision Date

2015-05-07

Revision Note

Updated for OSHA HazCom 2012 and WHMIS 2015

Disclaimer

The information provided on this SDS is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guide for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered as a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other material or in any process, unless specified in the text.
