# Classification of the substance or mixture

This product contains no hazardous ingredients that meet the threshold for classification of the mixture.

# Label elements

# GHS Label elements, including precautionary statements<br/>None requiredSymbol(s)None requiredSignal WordNone requiredHazard StatementsNone required

Precautionary Statements None required

# Other hazards

Contains a chemical that can cause an allergic reaction in susceptible people

3. COMPOSITION/INFORMATION ON INGREDIENTS

# 4. FIRST AID MEASURES

# Description of first-aid measures

| Description of mist and measures   |   |
|------------------------------------|---|
| General advice                     | IN CASE OF SERIOUS OR PERSISTENT CONDITIONS, CALL A DOCTOR OR                                 |
|                                    | EMERGENCY MEDICAL CARE.   |
| Eye contact                        | Immediately flush with plenty of water. After initial flushing, remove any contact lenses and |
|                                    | continue flushing for at least 15 minutes, If eye irritation persists, consult a specialist   |
| Skin contact                       | Wash off with warm water and soap, Get medical attention if irritation develops and persists  |
| Inhalation                         | Move to fresh air, Get medical attention immediately if symptoms occur                        |
| Ingestion                          | If swallowed, do not induce vomiting - seek medical advice                                    |
| Most important symptoms and effe   | ects, both acute and delayed  |
| Acute toxicity                     |   |
| Eyes                               | May cause slight irritation   |
| Skin                               | No known effect   |
| Inhalation                         | No known effect   |
| Ingestion                          | No known effect   |
| Chronic toxicity                   | Repeated contact may cause allergic reactions in very susceptible persons                     |
| Main symptoms                      | Overexposure may cause:   |
|                                    | Eye irritation  |
|                                    | Skin irritation   |
| Indication of immediate medical at | tention and special treatment needed  |
| Protection of first-aiders         | No special protective equipment required  |
| Notes to physician                 | Treat symptomatically   |
|                                    |   |

# 5. FIRE-FIGHTING MEASURES

#### Extinguishing media

Suitable extinguishing mediaWater spray, Foam, Carbon dioxide (CO2)Unsuitable extinguishing mediaDo not use a solid water stream as it may scatter and spread fire

#### Special hazards arising from the substance or mixture

None in particular

| Hazardous combustion products<br>Thermal decomposition can lead to release of irritating gases and vapors                          |  |             |           |        |          |         |          |      |                          |         |         |          |                    |     |
|--|--|-------------|-----------|--------|----------|---------|----------|------|--------------------------|---------|---------|----------|--------------------|-----|

10. STABILITY AND REACTIVITY

#### **Reactivity**

No dangerous reaction known under conditions of normal use

#### Chemical stability

Stable under normal conditions.

# Possibility of hazardous reactions

Hazardous reactions None under normal processing Hazardous polymerization Hazardous polymerization does not occur

<u>Conditions to avoid</u> Strong oxidizing agents. Extremes of temperature and direct sunlight.

#### Incompatible Materials

Alkali metals, Strong oxidizing agents, Peroxides

#### Hazardous decomposition products

Undefined, but may include toxic oxides of carbon and nitrogen

# 11. TOXICOLOGICAL INFORMATION

#### Information on toxicological effects Acute toxicity Product Information Irritation Irritating

Irritating to eyes and skin

#### **Component Information**

#### Persistence and degradability

No product level data available

#### **Bioaccumulative potential**

No product level data available

#### Mobility in soil

Soluble in water

#### **Component Information**

| Chemical Name              | log Pow |
|----------------------------|---------|
| Cyan Pigment               | 6.6     |
| Triethanolamine            | -2.53   |
| 1,2-Benzisothiazolin-3-one | 1.3     |

#### Results of PBT and vPvB assessment

This substance is not considered to be persistent, bioaccumulating nor toxic (PBT)

#### Endocrine disrupting properties

No information available

#### Other adverse effects

No information available

#### Waste treatment methods

| Waste Disposal Methods | Do not dispose of waste into sewer Dispose of in accordance with all applicable local and national environmental laws and regulations |
|------------------------|---|
| Contaminated packaging | Empty containers should be taken to an approved waste handling site for recycling or disposal   |
|                        |   |

# 14. TRANSPORT INFORMATION

This material is not regulated as a Hazardous Material (Dangerous Good) under 49 CFR, IATA/ICAO, IMO/IMDG, or TDG

#### 15. REGULATORY INFORMATION

#### Safety, health and environmental regulations/legislation specific for the substance or mixture

#### OSHA Regulatory Status

This product is an article which contains a mixture / preparation in powder form. Safety information is given for exposure to the article as sold and used by the customer. Intended use of the product is not expected to result in exposure to the mixture / preparation based on the packaging and method of dispensing.

While this material is not considered hazardous by the OSHA hazard Communication Standard (29 CFR 1910.1200), this SDS contains valuable information for the safe handling and proper use of the product. This SDS should be retained and made available to employees and other users of this product.

#### Canada

This product has been classified in accordance with the hazard criteria of the Hazardous Products Regulations (HPR), and the SDS contains all the information required by the HPR.

# U.S. Federal Regulations

#### **SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372 **Clean Water Act** 

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

#### Clean Air Act, Section 112 Hazardous Air Pollutants (HAPs) (see 40 CFR 61)

This product contains the following substances which are listed hazardous air pollutants (HAPS) under Section 112 of the Clean Air Act:

| Chemical Name    | CAS No.  | Weight % | HAPS data | VOC Chemicals | Class 1 Ozone<br>Depletors | Class 2 Ozone<br>Depletors |
|------------------|----------|----------|-----------|---------------|----------------------------|----------------------------|
| Propylene glycol | 57-55-6  | 15-35    |           | Group I       |                            |                            |
| Triethanolamine  | 102-71-6 | <1       |           | Group I       |                            |                            |

#### CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

#### **US State Regulations**

#### **California Proposition 65**

This product does not contain any Proposition 65 chemicals

**U.S. State Right-to-Know Regulations** 

This product is subject to U.S. State Right-to-know regulations as noted below.

| Chemical Name    | Massachusetts | New Jersey | Pennsylvania | Illinois | Rhode Island |
|------------------|---------------|------------|--------------|----------|--------------|
| Water            |               |            | Х            |          |              |
| Propylene glycol |               | Х          | Х            |          |              |
| Cyan Pigment     |               | Х          | Х            |          |              |
| Triethanolamine  | Х             | Х          | Х            |          |              |

# 16. OTHER INFORMATION

| Issuing Date   | 2018-10-02                     |  |  |
